Y...yeah... good job. Welcome!

What's up, CL? You're acting differently today.

Usually, wouldn't you?
Why're you here
Stop staring!
Is this your house?
Exactly.
So mean! like this?

W...what are you talking about, Daughter. We've always been best buddies~

Really? Is that feeling mutual?
Scoot over

WHOOSH

So did you find out?
WHISPER
WHISPER
Yeah. I did.

I'm not your slave...
There's something I haven't told you yet
This time...
YUMMY!

Recently, all the milk has been sold out in every convenient store and supermarket in the area.
And now, the trend has come over to this very neighborhood.

3 days?
•Period of movement : 3 days
•Target locations: all convenient stores
Yes. 3 days in each region. That must be how long it takes them to search.
3 days....

Milk was sold out over here since yesterday, and since today is almost over.
If we can hold out for just one more day, we can escape their radar.

The milk-loving sisters. You know them well, don't you?

...Oh oh....
CLUNK-
...I know them well.
I guess even the Heavens can't wait any longer.
Who knew that they'd send not just any angel or devil but the judges themselves to catch one measly little devil.
What are you gonna do now?
What can I do..
I can't put Yuh-ool in danger for me.
...Are you gonna run away?
